

Bench

The refined design of **Bench** is composed of a simple black MDF platform finished in matt lacquer; on the underside, a chamfered detail lends the piece a visual lightness. The bench's internal metal framework extends to two legs clad in stain-resistant cast concrete, and there is an optional open display box for documents and literature. **Bench** comes with modular upholstery with options for two or three seats and is designed to complement the **Grid** and **Stack** storage systems.

Key features

Made using black MDF

Lightweight, stain-resistant concrete legs

Adjustable feet

Various colour options available

CAD and BIM files available

Available in 6-8 weeks (UK), 10-12 weeks (US)
